DIAGRAM

INSTRUCTIONS

1.1 Use the **W11** 10mm wrench and the **ALLEN WRENCH** to tighten the **ML01/S02** nut and bolt combination. Follow the diagrams to put your potting bench together.

1.2 Attach **THG-04** to the outside of **THG-01** and the **THG-02** using the provided bolts and nuts as shown in diagram for the top and bottom level. Repeat on all corners of the table.

1.3 Attach the (18) **THG-03's** to the (4) **THG-01's** with the **ML01/S02** nut and bolt combos as shown in the diagram. Note that the **THG-03** slats will rest on top of the **THG-01** supports on both levels of the shelf.

1.4 Attach the (16) **THG-05** brackets as shown with the **ML01/S02** nut and bolt combos on the outside of the **THG-01**, **THG-02** and **THG-04**. Repeat on both levels and all corners as shown in the diagram.

1.5 Confirm that all nut and bolt combos are tightened, then attach the (4) **FOOT CAPS** to the bottom edges of the (4) **THG-04's**.
